

Hotels Located Near Fermilab

Dear NuInt07 Participant,

Listed below are the hotels close to Fermilab that offer the best rates for those participating in Fermilab conferences and workshops. For more information on these hotels see links from <http://bss.fnal.gov/travel/hotels.html>.

Please note: In order to get the Fermilab preferred rate, it is very important that when you are booking your hotel accommodation to mention that you are attending NuInt07 at Fermilab. All hotels listed in this site will honor special Fermilab preferred rate when visiting Fermilab

For those choosing the **Comfort Inn** in Geneva, we will arrange for **bus service** from the hotel to Fermilab and return **if there is sufficient interest**. If you would like to make use of the bus service, please indicate this in an e-mail to (sazama@fnal.gov) after making your reservation.
