

Dear Colleagues,

We are pleased to announce the [XXIX International Conference on Neutrino Physics and Astrophysics \(Neutrino 2020\)](#), which will be held from Sunday evening, June 21 to Saturday, June 27, 2020. The conference will take place at the [Hyatt Regency Chicago](#) in downtown Chicago, Illinois. The Hyatt Regency is Chicago's largest hotel and is within walking distance to the city's top attractions including Millennium Park, Navy Pier, Magnificent Mile, and the Riverwalk.

The scientific program will consist of invited plenary talks and contributed poster presentations covering a broad range of topics in neutrino physics. There will be two poster sessions during the conference. Poster abstract submission will open on Jan 1.

Registration: Registration is now open at the [conference website](#). The conference fee is reduced to \$610 U.S. with Hyatt Regency hotel booking (\$760 U.S. without hotel booking) until February 28, 2020. More details are on the [conference website](#). The fee includes participation in all conference events, coffee breaks, and receptions at the poster sessions.

IMPORTANT: Hotels will be in very high demand in downtown Chicago during the week of the conference, so please book at the reduced rate at the [Hyatt Regency Chicago](#) as early as possible.

Further information on accommodation, visa, financial support, and other details can be found on the [conference website](#).

Key dates:

- * February 28, 2020: early bird registration deadline
- * January 1, 2020: poster abstract submission opens
- * March 15, 2020: financial assistance application deadline
- * April 1, 2020: poster abstract submission deadline
- * May 20, 2020: registration closes

We are looking forward to welcoming the neutrino physics community in Chicago!
